To whom it may concern,

Mr. Samir Amir is high qualified and experienced researcher on multimedia metadata technologies and semantic web. During our cooperation in ITEA2 MIDAS project (1 year of work with Mr. Amir), he demonstrated a high degree of expertise on integration of different metadata standards and development of web services. He has deep knowledge on metadata standards as well as programming in Java. He had a significant role in the development process of WP3 metadata web services. In addition to his technical skills, Mr. Amir demonstrated excellent leadership and collaboration with involved international partners.

To conclude, I would like to restate my recommendation for Mr. Samir Amir. If you have any further questions regarding Mr. Amir's abilities please do not hesitate to contact me.

Sincerely

Dr. Taner Danisman
